DRAFT -DELIBERATIVE
(Potomac is reserved)

Jim--I'll patch Mike in and then call you.

Thanks for your comments on the draft issue paper. Ultimately, John would like this to go to the state (the timeline may be EPA-only though). I've set aside this time to brainstorm a reasonable "time frame and process" outline with you. Attached is an updated "time frame and process". Also attached is an appendix for the draft issue paper.

I aim to provide the Region 10 this draft issue paper NLT May 16.

We'll try to keep this to 30 min.
